## David and Betty Jones to Donate \$1 million to the Foundation

The Catholic Education Foundation recently announced that **Mr. and Mrs. David A. Jones** have agreed to donate \$1 million over the next four years in support of Catholic schools in the Archdiocese of Louisville.

All funds associated with this gift will be used to provide financial assistance to families who cannot afford the full cost of Catholic school tuition. "Our Catholic schools have been producing for generations some of our most talented leaders across the community—in business, government, the professions and community service. Betty and I are proud to support these outstanding elementary schools and high schools and we are confident that this great education tradition will grow and thrive in the years ahead," said Mr. Jones.

**Archbishop of Louisville Joseph E. Kurtz, D.D.** expressed his deep gratitude to the Jones family. "Since the Foundation was established in 1996, David and Betty Jones have been among our most generous benefactors. This gift, one of the

largest in our history, is yet another reflection of the Jones family's incredible generosity to so many worthy causes in our community spanning over more than 50 years. I know that our entire community joins me in thanking David and Betty for this wonderful gift."

Foundation President **Richard A. Lechleiter** added, "Catholic schools have always been an integral part of the fabric of this community. I am humbled by the Jones family gift to the Foundation and we are excited that even more families will receive financial assistance going forward so that their children can have access to our great Catholic schools."

Mr. Jones is the co-founder of Louisville-based **Humana Inc.**, a Fortune 100 health benefits company. In 1996, he received the Foundation's distinguished Community Service Award and, in 2012, served as the keynote speaker for the Foundation's annual Salute to Catholic School Alumni event. ■

## Rosemary Bisig Smith Scholarship Fund Established

In connection with the retirement of **Rosemary Bisig Smith** as Executive Director of the Foundation, a scholarship fund was established by the Board of Directors in her name. Earnings from the fund will be used exclusively to provide scholarships to children of Catholic school educators in the Archdiocese of Louisville.

"I am thrilled to be honored in this way," said Rosemary. "It will help so many of our fine educators send their own children to our Catholic schools." Foundation President **Rich Lechleiter** added, "Rosemary has done so much for thousands of young students over her remarkable career. This is a fantastic opportunity to honor her storied legacy." For more information about the Rosemary Bisig Smith Scholarship Fund and how to support it, please contact the Foundation at 502-585-2747. ■

# Our Message To You

**THANK YOU!** These are two words of which we never tire at the Catholic Education Foundation. As we look back on our fiscal year ended June 30, 2014, we indeed have so many reasons to celebrate and above all, give thanks. Here are just a few things to consider:

**Archdiocesan Support** - the annual support that we receive from our parish priests, Archbishop Kurtz and the entire archdiocesan team is nothing less than remarkable. Without their ongoing work on our behalf, we could not reach the hundreds of families that need tuition assistance to educate their children in our great Catholic tradition.

**Annual Fund** - In only its second year, we raised nearly \$200,000 thanks to the generosity of so many across the archdiocese. We have prepared a special section of this newsletter to recognize the growing number of supporters who are stepping up to support the Catholic education cause outside their own parish or neighborhood. Just as Pope Francis has asked all of us to do!

**Major Events** - Our two annual events, the Salute to Catholic School Alumni dinner in March and the Salute to THE GAME luncheon in the fall, each shattered their previous fundraising records. On a combined basis, these events netted over \$800,000 to the Foundation! Truly amazing – thanks to the unmatched generosity of our major event sponsors highlighted in this report.

**Special Gift** - Our cover story says it all. Thanks to David and Betty Jones, we have been blessed with one of the largest gifts in our history! For Catholic education in the archdiocese, the impact of this incredible gift is immediate and widespread. In fact, over 100 elementary school students will receive financial assistance this fall that was not otherwise possible just a few months ago. **WOW!!**

**Extending our Reach** - Last fall, we provided nearly \$1.4 million of support to over 1,300 Catholic elementary school students in the archdiocese – a record! On an even better note, we will support more students this fall than ever before. A sure sign that our community recognizes the critical importance of our Catholic schools!

So... we devote this newsletter to those two most important words —**THANK YOU!**■

God's blessings to each of you,

## Foundation Helps Catholic Schools Expand Technology Efforts

*“It is imperative that our Catholic schools have the much needed technology to prepare our children for the 21st century. I am thrilled that the Foundation is helping to advance our curriculum in this critical area of learning.”*

**Rich Lechleiter**

The Catholic Education Foundation awarded grants for technology investments for the 2013-2014 school year totaling \$190,000 to 20 of our Catholic schools in the Archdiocese of Louisville. The grants, most of which were awarded to Catholic elementary schools, will be used to provide students and educators with new and exciting tools for learning.

Items like the iPad Air, Apple TV and monitor, desktop computers, SMART tables and Media Centers will allow our schools to stay connected and better educate our young students.

President **Rich Lechleiter** stated “It is imperative that our Catholic schools have the much needed technology to prepare our children for the 21st century. I am thrilled that the Foundation is helping to advance our curriculum in this critical area of learning”.

All Catholic schools in the Archdiocese of Louisville are eligible for these grants. School administrators are encouraged to apply for a technology grant during the open application dates each year. ■

# A Big Salute to our Signature Events

Our two signature events raise a significant amount of funding for grants to our parishes and schools. Last year alone, they raised a combined \$800,000 for Catholic education!

The **SALUTE to THE GAME** luncheon celebrates the football rivalry between St. Xavier and Trinity High Schools. Both schools have generously permitted the Foundation to benefit from the celebrity of the Tigers - Rocks rivalry. This year's luncheon is Tuesday, September 30, 2014.

The **SALUTE to Catholic School Alumni** dinner celebration provides a wonderful opportunity to acknowledge the many benefits that Catholic education provides to our community. The event honors individuals who are alumni of Catholic schools, a leader in community service and an outstanding Catholic school educator. Please join us March 18, 2015 as we celebrate our 25th year!

Mindful of the vital role Catholic Education plays in our community, we recognize the following corporations and individuals who have supported the Foundation so generously:
