Catholic  
Education  
Foundation

# OUR MESSAGE TO YOU

Welcome to our first-ever Annual Report! While the Foundation was formed in the 1990s, we think it is time to more formally raise the profile of this organization, add a more pronounced "Thank You" for your long-standing generosity, and begin to tell you more about where we're going.

In our years of working with the Catholic Education Foundation, one thing is for sure. Our broader central Kentucky community truly believes in the Catholic education experience and values its impact. And that is why so many of you, both families and businesses, have given so selflessly to the cause of helping families who cannot afford the full cost of Catholic schools for their kids. Yes, our Catholic schools – 37 elementary and nine secondary with combined enrollments of nearly 20,000 students – are leading the way in demonstrated value to our community like no other.

Why are Catholic schools so important? The answer is simple – They are the best way to connect *Faith, Family and Learning* the world over. No other educational experience better links these three precious life-long gifts. None.

So if this experience is so valuable on such a broad scale, shouldn't we all work together to enhance its vitality and extend its reach to more students? **THE ANSWER IS YES!**

This past year in central Kentucky Catholic schools was quite historic on several fronts, but none more important than the November 2014 joint announcement of a new Catholic school plan by the Archdiocese of Louisville and the Catholic Education Foundation. Together, we created a new model of tuition assistance for Catholic elementary schools that surprised even us. This fall, in concert with a new funding partnership – The Foundation, the Archdiocese, the schools and parishes, School Choice Scholarships and Community Catholic Center – tuition assistance awards totaled a staggering \$5 million and reached nearly 2,400 students in our elementary schools. This astonishing result was 60% higher in student outreach than ever before! **WOW!**

Here's even better news about our future. In March, the Foundation and the Archdiocese jointly announced a goal to add 1,000 elementary students within five years to the more than 13,000 we serve today. Of course, to reach this goal will take more than our record sum this year. But the momentum we are all building for Catholic education leaves no doubt about the outcome. So spread the word – Catholic school enrollment in central Kentucky is on the rise!

Any of the success that the Foundation has achieved during this historic year was solely attributable to God's Divine Providence and our incredible donors, many of whom are featured in this report. While our work is never done, we march on to achieve results no one thought possible and extend our reach to families who only dream of this great gift for their children. Let's all stand together for those who yearn for a Catholic education for their children and proclaim to them, **"THE ANSWER IS YES!"**

*God bless you all for your unending devotion and kindness,*

Chair

**Richard A. Lechleiter**  
President

**Joseph E. Kurtz, D.D.**

## OUR MISSION IS A LIFE-CHANGING CAUSE

■ On November 6, Archbishop Kurtz announced the new Catholic School Plan in partnership with the Foundation. This fall, our combined elementary tuition assistance funding will ***double to over \$3 million annually.***

■ On January 12, the Foundation launched a new \$200,000 annual investment in tuition assistance in our four southwest Louisville elementary schools aimed at adding at least ***100 more students*** among those schools.

■ On March 18, the Foundation hosted its 25th anniversary Salute to Catholic School Alumni dinner to a sell-out crowd of over 1,800 guests. The event raised an ***all-time record \$665,000*** for the Foundation. In addition, the Archdiocese and the Foundation jointly announced a new goal to add 1,000 students to Catholic elementary schools over the next five years!

■ On April 15, we launched our Annual Fund appeal across the Archdiocese to raise more than \$500,000 in support of our Catholic school families – ***more than double*** last year's results.

**And there's more....** Our community-wide message of growth, outreach and inclusion in our Catholic schools is spreading and we are seeing record numbers of families applying for tuition assistance for next fall. We can't wait to answer the call!

***So come aboard, join the mission of the Catholic Education Foundation and let's all get to it! We are so grateful for your incredible support of this life-changing cause.***

**CALL TODAY! (502) 585-2747**

**Thank You!**

# ABOUT THE FOUNDATION

## Who We Are

The Catholic Education Foundation is an independent 501(c)(3) not-for-profit organization dedicated to the growth and vitality of Catholic Education in the Archdiocese of Louisville .

## What We Do

The Foundation raises money to support four key components of Catholic education:

- Tuition Assistance (primarily elementary schools)
- Technology enhancements
- Religious education
- Professional development of teachers

## Our Vision

Every child has access to a Catholic education.

## Our Mission

To raise sufficient funds to support Catholic education and make Catholic schools accessible to everyone.
